A riot was barely averted shortly before noon today when an Italian rounded the corner about two blocks below the armory, whistling "I Didn't Raise My Boy to Be a Soldier." He had his head down to shield his face from the rain, and a crowd of boys and men who had just come from the armory, thinking from his dress that he was a Mexican, were going to prove to him that, whether their mothers raised them to be soldiers or not, they were Americans and could fight like soldiers anyway. When they saw that he was a peaceful "ally," their wrath cooled and they continued their journey in the direction of the Union Depot. Incidentally the tune ceased.
